

Mediator training

Have you got what it takes to be a mediator? Do you want to learn new skills?

Do you want to make a difference in your community?

Smile Mediation are providing our 6 day, College of Mediator accredited training course in April and May 2020 for people who are willing to volunteer as Mediators for Smile.

At Smile, we are very proud of our Volunteers and we recognise the time and effort they generously give to support people experiencing conflict. We provide Mediator Supervision, Skills Practice and Support Sessions for our Volunteer Mediators so they develop their skills and continuous professional development (CPD).

What's in it for me?

You will receive a recognised foundation Mediator qualification equivalent to NVQ level 3

You will learn and enhance a valuable set of skills that you can also use outside of mediation

The skills I have learned are really valuable and I'm really looking forward to mediating in the community
